Even though we think AF will finish 7th in the Mt West Conference, this pick is extremely scary. Fisher DeBerry has had just two losing seasons in his 21 years and each time has rebounded with an 8 win year. This is one of his most veteran teams yet and last year, despite finishing 3-4, they outgained league foes by 23.7 ypg and lose only 17 lettermen, a highly unusual total for a military academy. They could easily shock the Mt West and win it this year but unfortunately we have to rank the top 8 in the Mt West in some sort of order, so we pick Air Force for 7th.
