Army's move to become an Independent is a positive one for them as they get to lighten up their schedule which they have done so this year and now have winnable games vs the likes of Baylor, C Michigan, Akron, Massachusetts and Ark St. They are also in the 2nd year of Bobby Ross' tenure, have a veteran QB in Zac Dahman and a top-notch RB in Carlton Jones. Topping last year's two win total should be a given but this team actually has a shot at contending for post season play. This is even more of an improvement for the Black Knights after snapping their losing streak at 19 last year.
