Heading into the year last year, the Tigers were thinking big. They got an unexpected poor season out of QB Charlie Whitehurst but he should bounce back and have a much better season this year as he has a solid surrounding cast. CU loses just 17 lettermen, the 2nd fewest in the league. Last year the Tigers were outgained by an average of 56.5 ypg in ACC play, the 3rd worst mark. The schedule is not easy as they host both Miami and Florida St, meaning they'll be favored in just two of their league home games. Provided Whitehurst comes around, Clemson could be a surprise team.
