Last year the Blue Devils were in a rebuilding year and it showed as they were outgained by 197 ypg in league play, over 100 yards more than the 2nd worst team in the ACC. This year they lose 23 lettermen, which is the 2nd most in the league and after playing 13 true last year (the 2nd most in the NCAA) they are a young team once again. It looks to be yet another rebuilding year for the Blue Devils and while they look stronger, it will be tough to escape the league basement but they do have a shot at topping last year's 2 wins.
