Florida	-7	13-20	L

For just the second time since joining the ACC, FSU did not finish in first place last year. This year they lose 8 NFL draft picks including two 1st and one 2nd rounder. They have questions on the O-line and at QB, while pulling Miami from the Coastal Division. Still, FSU is still one of the most talented teams in the country and their main contender in the Atlantic Division is NC State in Tallahassee. FSU does have to travel to the "The Swamp" vs Florida. Expect FSU to appear in the very first ACC Title game and they are clearly capable of contending for a National Title.
