Boise St probably has a stronger offense, defense and special teams than Fresno this year but the two are very close in all three areas. Fresno St rebounded last season after their dip at midyear and they finished the year in dominating fashion, including knocking off #18 Virginia. This is probably Pat Hill's best team yet and the key game of the WAC season is on Nov 12th in Fresno. Yes, we know Boise has won there the last two trips here but don't be surprised if the Bulldogs give Hill his first-ever outright-WAC Title.
