GT was 4-4 in the ACC last year but got to their 8th consecutive bowl game, despite being -13 in TO's for the season. Tech is #1 in NCAA with a 22-11 all-time bowl record. This year Tech is very strong on defense with 8 returning starters and have a veteran backfield with Reggie Ball and PJ Daniels. GT does have to face the top 3 teams in the Coastal division (Miami, VT, and Virginia) all on the road and a killer non-conf schedule which includes Auburn, Georgia and Connecticut. They should, however, be able to achieve another winning season.
