Last year was Friedgen's first inexperienced squad with just 9 starters returning. In his first 3 years they averaged 34.4, 32.2 and 31.2 ppg but the offense really struggled last year. They have just 11 starters back from a non-bowl squad. Yet we will call for them to top two teams that were bowl eligible last year and they have more starters returning. We think the Fridge has done a tremendous job and should be able to coax a winning year out of this team. They host both BC and Virginia while also having winnable road games vs Wake and NC. Due to the schedule and HC Friedgen, we will call for the Terps to bag a 3rd place finish in the Atlantic.
