When we look at the East, we see three bowl caliber teams and three teams in the rebuilding mode. Our main concern with Memphis is having to replace QB Danny Wimprine and the entire O-line. Their defense will be much stronger under Joe Lee Dunn this year and they have perhaps the best RB in the country in DeAngelo Williams. This team is a clear-cut contender in the East but, despite being less experienced than the 2004 version, we look for the Tigers to achieve their 3rd consecutive winning season and how they fare at home vs UAB and on the road vs S Miss will determine whether or not they can take home the first-ever CUSA East Div title.
