After being the worst team in the ACC in 2003 (1-7, outgained in ACC by 105.7 ypg), NC turned it around last year finishing 5-3, including 4 upsets. They knocked off powerhouse Miami and almost beat ACC Champ VT the next week missing a FG on the final play. Bunting was all but fired after the Utah loss when they were at 3-4 but by season's end he was given a 2 year extension contract. This year they have 15 returning starters. NC figures to be favored in all four ACC home games so they have an excellent shot at another winning season and a second consecutive bowl trip.
