Just two years ago Steve Kragthorpe led Tulsa to the biggest turnaround in the NCAA, going from 1 to 8 wins. Last year the Hurricanes surprisingly struggled to a 4-8 finish but are now in the 3rd year under Kragthorpe and that's when new HC's have their best success. They pull Memphis and SMiss out of the CUSA East so the schedule is not easy and the non-conf slate is tough as well. Still, we think the offense will be potent and he has some solid newcomers to plug in on the defensive side of the ball. If not for early OL injuries last year, Tulsa may have finished with a stronger record. They have a shot at moving up even higher.
