Last year's Vandy squad had 21 returning starters and had a 1-7 conf record. They could have had a much better season, as they lost 5 games by a combined 15 points. Cutler is one of the best QB's you've never heard of and turned down a shot at the NFL. He has some talent to work with on offense and should be able to top last year's 19.3 ppg. Defensively LB Moses Osemwegie is one of the best LB's you've also never heard of and Vandy did allow just 26.0 ppg last year. The schedule is much more favorable with SEC home games with Mississippi and Kentucky most likely moving them out of the basement of the East. We will actually call for a 4 or 5 win season in Bobby Johnson's 4th year.
